Have you ever taken  
the time to consider  
the history entrenched  
in your hometown?

Well now is the perfect opportunity!  
Bring your students down to the Red  
Brick Arts Centre and Museum to  
discover the historical background  
of the Red Brick School. Students  
will be educated on past events as  
well as current events in place to  
preserve the life of the Red Brick  
School.

# Tour Details

---

WE LOOK FORWARD TO MAKING THIS A UNIQUE EXPERIENCE FOR YOU AND YOUR CLASS TO ENJOY!

## WHO

The Red Brick Arts Centre and Museum staff is eager to facilitate school tours to educate young citizens on Edson's Cultural Cornerstone.

An office staff member will direct the tour. Seasonally there will be summer students directing the tour. We will also have an attendee of the Red Brick or ECHO board member who will come and talk about the history of the school.

## WHAT

Red Brick Arts Centre staff members will take you through a tour of the whole building and explain each room's historical and current significance.

For the students we offer a craft in the preserved classroom as well as activities in one of the old classrooms, which is now a Dance Studio. Students may also have a snack period in Tillie's Tea Room, which was also a classroom at the Red Brick School.

## WHEN

Whenever you would like! The Red Brick Staff is extremely flexible! Please give us a call or email and we will set up a date and time that works for both of us!

## WHERE

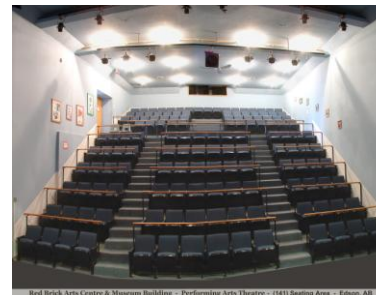

Tours will take place at the Red Brick Arts Centre and Museum previously known as the 'Red Brick School'. The Red Brick Arts Centre and Museum is located at 4818 7th avenue in Edson Alberta.

*Make this a unique experience for yourself and your class.*

---

## WHY

Come on down and receive a guided tour of the Red Brick School to enhance your knowledge on Edson's past. Our tour is designed

around educating youth about one of Edson Alberta's historical cornerstones. We strive to make this an enjoyable experience by including activities such as a craft and games that were played back when the school operated.

## COST

School Tour is **FREE!**
